# From our President

*Jonathan Cook*

2019 marked the culmination of several transformative projects for LifeSpire of Virginia. While there are many new spaces and continued construction, our growth is mostly about serving others. More importantly, providing our residents, members and team members with choices in purposeful living. In 2019, through our new spaces, increased occupancy, commitment to wellness, dining, hospitality and our Lakewood at Home program, we expanded our mission of service to nearly 16% more seniors than the previous year.

We have continued to serve those who can no longer provide for themselves. This past year we offered almost \$1.2 million in subsidized care for residents. Now we are also using investment earnings to support spiritual life programs at each campus. As we continue to build upon solid operations, we are going to continue to look for ways to expand our social accountability programs.

Once again, the company exceeded expectations on the financial front. This has allowed us to dream big and build on the projects we completed at the end of the decade. On the horizon is a new cottage project at The Culpeper that will expand our independent living options. We are working to update the original buildings at Lakewood to a more modern aesthetic. With the early success of the Lakewood At Home program, we are exploring expanding that to other areas of the state and looking to begin a home care program as well. The Chesapeake will continue its interior renovations and discussions are underway regarding an expansion to The Glebe's independent living.

Our organization and mission will continue to grow with a long-term perspective that will balance fiscal discipline and market driven programs and services. With resident and member involvement paired with our commitment to excellent care, I am certain we will succeed.

As we enjoy our new spaces and embark on new journeys of growth, we hope to have your continued support. Here's to new beginnings in a new decade. We appreciate your energy and generosity.

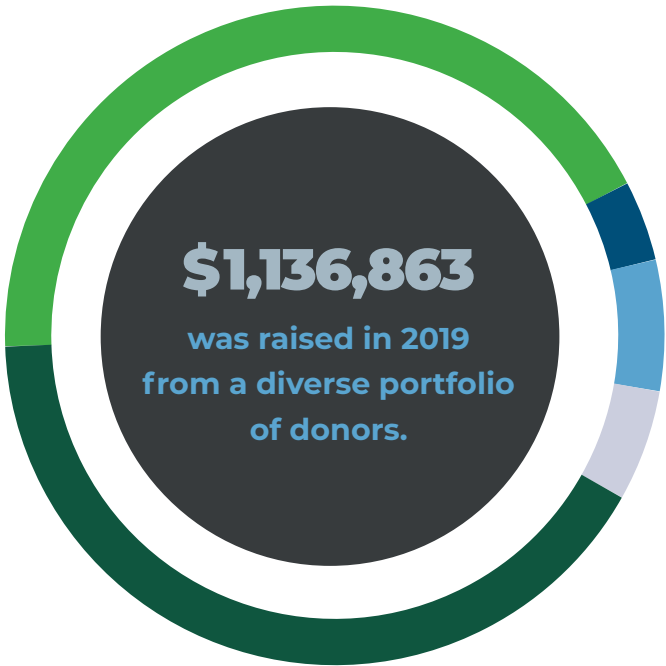

***Jonathan Cook, LifeSpire President and CEO***

*There were 12 stained glass windows in the original building at The Culpeper—one large window behind the altar and 11 side windows. When the new building was completed, the VBH Foundation team wanted to ensure the windows were preserved. The large window and four of the side windows are in the new chapel. This window was donated to Culpeper Baptist Church and was installed March 23, 2020. The remaining windows are being preserved for future use.*

*"It was an honor to bestow a piece of our history to Culpeper Baptist Church, honoring the faith, mission and promise to take care of our seniors. These roots were planted by Dr. J.T. Edwards in forming Virginia Baptist Homes," said Virginia Baptist Homes Foundation Vice President Jodi Leonard.*

## Lifespire Employee Education Fund

LifeSpire's mantra of "Faith. Wellness. Community." represents an unwavering commitment to residents' well-being and health, contentment, independence, and safety. The same principles apply to LifeSpire employees through the Employee Education Fund. The Fund provides financial assistance for higher education and updated training or certification for specialized skillsets. Tuition reimbursement toward a degree or certification is awarded to staff and college scholarships are awarded to staff or their children or grandchildren.

***During 2019, the VBH Foundation awarded \$13,500 in education fund support to 14 individuals.***

## LifeSpire Employee Crisis Fund

LifeSpire understands that employees are sometimes faced with an unexpected crisis that can result in an immediate financial need. Natural disasters like house fires or floods, life threatening illnesses or injuries, or any unforeseen catastrophic occurrence can cause financial hardship. The Employee Crisis Fund is intended to assist qualified employees who are facing one of these circumstances. It can provide immediate assistance to help the employee cope with the financial aspects of the crisis situation.

***During 2019, the VBH Foundation awarded \$6,500 in financial assistance to staff in crisis.***

## A Passion for Caring for Those in Need

***Mujinga Kapanga was awarded a LifeSpire scholarship.***

After testing the waters as a pharmacy technician, Mujinga took a position in human resources at Lakewood before transitioning to her current role of admissions coordinator. In interacting with team members and residents, she realized her true passion is to become a nurse. She is currently pursuing her associate degree in nursing at John Tyler Community College.

During the COVID-19 pandemic, LifeSpire employees were given the opportunity to volunteer to be temporary nurse aides to support nursing staff. Mujinga signed up right away, putting her health and safety on the line to care for Lakewood's residents.

When expressing her gratitude to the foundation, Mujinga said, "It was an honor to be chosen. It felt like I had a community of people helping me and cheering me along. I can't say enough about how much support I get. There are so many staff members and residents who ask me how I'm doing and offer me encouraging words of wisdom and pieces of advice. The scholarship has really made me feel like part of the LifeSpire and Lakewood community. It's been a gift to see how supportive our community is."

Leaving a Legacy of Benevolence

as of December 31, 2019

Formed in 1996, the J.T. Edwards (JTE) Society honors those who have included LifeSpire, the VBH Foundation, or one of our four communities in their estate plans. Bequests, charitable gift annuities, trusts, and gifts of life insurance or retirement accounts are the most common ways that JTE members provide benevolent support for LifeSpire residents. We celebrate 71 generous individuals and couples who have chosen to create their own legacy to help others at LifeSpire!

## J.T. Edwards Society Legacy Gifts

In 2019, 40 donors made their ultimate gift to LifeSpire through estate planning. Some created a trust that provides income every year to support benevolence and our communities. Others gave through bequests. These generous expressions of faith humble us. While their passing saddens us, we remember the way they lived – with love and kindness for others.

# Giving Back To Our Communities

**The Culpeper** donated 299 staff hours, 2,108 resident hours and \$65,607 to charitable causes and public interests in 2019, including the SAFE Shelter for Women — a shelter that provides support and advocacy to survivors of domestic violence and sexual abuse. The community donated \$500 worth of furniture from the original building to the organization and 50 staff hours to move the donation.

**The Chesapeake** donated 847 staff hours, 484 resident hours and \$53,325 to charitable causes and public interests in 2019, including a work study program that allows special needs students at Poquoson High School to get real-world work experience with dining and resident services. Team members donated 30 work hours to the program while the students spent more than 200 hours working at the community.

*Social accountability is the extent to which a non-profit organization responds to the needs of the community surrounding it. In 2019, LifeSpire communities provided nearly \$407,000 in financial support or fees waived to a variety of charitable causes and public interests. Team members provided approximately 3,500 hours, and residents donated 6,390 hours to community outreach initiatives. LifeSpire's home office and the VBH Foundation gave 271 staff hours and \$27,993 to various causes.*

**The Glebe** donated 1,756 staff hours, 410 resident hours and \$95,041 to charitable causes and public interests in 2019, including the American Cancer Society. Residents and team members participated in a Relay for Life event that resulted in a more than \$2,100 donation and 10 hours of staff time.

**Lakewood** donated 346 staff hours, 3,388 resident hours and \$164,613 to charitable causes and public interests in 2019 including to a donation of a van to a local family in need of assistance with transporting a child with medical needs. The van and necessary repairs amounted to an \$8,650 donation as well as 5 staff hours for delivery.

# Honoring Lakewood's Heritage

*Albert and Helen Simms*

In October 2019, as Lakewood celebrated its 42nd anniversary, the VBH Foundation paid tribute to two couples who made the community what it is today. The Foundation unveiled a plaque to be displayed in

the Albert and Helen Simms Center. The plaque honors the couple's lives, gifts, and service to Lakewood. Al served as founding administrator who oversaw construction, hiring and admission of residents. Helen served as the first secretary, marketing counselor and move-in coordinator. They also lived at Lakewood for many years where they were involved in service and community life.

*Franklin and Dorcas Fowler*

Dr. Franklin Fowler and Dorcas Hauk Fowler moved to Lakewood in 1987 and quickly became

pillars of the community. They began a Saturday morning Bible study class that evolved into Sunday worship services where he preached, and she played the piano. Others continue this ministry, which blesses our residents to this day. The second floor activity room in the health services building was renamed The Fowler Center in their honor. The stained-glass windows in the room were designed from the hundreds of paintings Dr. Fowler did of flowers found on Lakewood's campus.

## Honor Tree Recap

The holidays are always a special time to remember our loved ones. The VBH Foundation was grateful to sponsor an Honor Tree in each of our communities this year. These trees held tight the names of those honored and remembered throughout the year. It was touching to have residents help decorate and find the names of their loved ones. This special campaign raised \$57,000 to support the benevolent need in our communities. Thank you to all the donors that made this possible. We hope it brought some comfort to those celebrating with special intentions in their hearts.

## History on Display:

### *Hurt Family Honors Its Culpeper Legacy with Stained Glass*

Three sets of backlit, one-of-a-kind stained-glass windows are on display in the health care and rehab areas in the new building at The Culpeper. Residents and families were given the opportunity to sponsor a window, leave a legacy and help grow benevolence at the same time.

Twelve windows, chosen by The Culpeper's team and designed by Virginia artist, Diane Fairburn of Decorative Glass Solutions, showcase Culpeper's beautiful scenery including the Rapidan River, the Blue Ridge Mountains and farmland.

The Hurt family has a rich history at The Culpeper. For nearly three decades, Werter H. Hurt, Sr. served as a member of the Board of Trustees for the Virginia Baptist Homes. He served as a trustee from 1951 until 1979 during which time he was board president (1965 until 1970) and president emeritus (1970-1979). In 2012, his son,

Werter H. Hurt, Jr. moved to The Culpeper where he lived until his passing in April 2019.

Given the family's ties to the community, LifeSpire and the region, siblings Werter H. Hurt, III, and Susan Hurt Gitt decided to sponsor a farmland window in memory of their father and grandfather.

The red barn window in the farmland scene is sponsored by The Culpeper's residents, families and staff. Culpeper resident Guy Mattox coordinated the campaign to raise \$10,000 for a window. He quickly surpassed that, raising \$25,000 for the barn window.

The donor window campaign raised more than \$80,000 to support the benevolent need at The Culpeper. There is only one window left available for sponsorship.

## “The Glebe’s Chaplick Center Opens Its Doors”

In October 2019, residents and team members at The Glebe gathered with community members and stakeholders to officially open the doors to The Chaplick Center—the 14,800 square-foot neighborhood designed to care for the unique needs of seniors with dementia or Alzheimer’s disease. The cost of construction cost totaled approximately 5 million dollars with funds provided from the estate of June Chaplick, a former Glebe resident, as well as private donations from other Glebe residents. The center consists of four neighborhoods with five private resident rooms, to accommodate 20 residents. June’s portrait was unveiled earlier this year.

*“We often remarked on the quality of employees that serve Lakewood residents and how frequently they “went the extra mile” with a smile ... both for Mom and for us. We truly feel that Mom could not have lived in a better community than Lakewood!”*

Faith. Wellness. Community.

LifeSpire of Virginia operates five unique continuing care retirement communities throughout Virginia: The Culpeper in Culpeper, The Glebe in Daleville, The Chesapeake in Newport News, Lakewood in Richmond and Lakewood At Home. Each community welcomes and supports people of all backgrounds in a faith-based family atmosphere.

The VBH Foundation raises funds to help LifeSpire's life care residents who outlive their financial resources remain in their homes. In 2019, we provided over \$1.1 million in benevolence to 58 residents across all five communities.

*You cared for my wife when she needed skilled nursing care before her death, and you cared for me as I watched our savings dwindle due to the extraordinary hospital and doctor bills. I can't tell you how blessed we were to receive a benevolent subsidy so we could stay in our home at The Glebe.*

## Five communities. One Vision. Where Faith, Wellness, and Community Flourish.

---

Whether you enjoy the water or the mountains, the city or a charming small town, LifeSpire of Virginia has a retirement option that's right for you. Each of our campuses offers comfortable apartments and cottages in beautiful, inviting settings while our newly launched Lakewood at Home program provides you with the comfort of aging in your very own home. Regardless of the option or location you choose, our communities provide the peace of mind of continuing care should you or your spouse ever need it. Take advantage of the security of knowing your future is well-planned in an atmosphere where faith, wellness, and community flourish. To learn more, call (804) 521-9214 or visit [lifespireliving.org](http://lifespireliving.org).
